USED SYRINGES, NEEDLES AND LANCETS

Did you know that the HSSC gives people who use syringes and needles for homecare the possibility of bringing in their used needles and syringes in containers? People can do this either at their CLSC or the Diabetes Education Clinic at the Hospital Centre. The population can get safe containers for free at their pharmacy, CLSC, the hospital's Education Centre for Diabetics or through their nurse during a home visit.

FRANCE VISITS OUR HSSC

Christine Etchebarne, director of a homecare centre for the elderly in the west of Paris, visited our HSSC in early October. Her visit was related to the implementation of a network of integrated services for the elderly. This project is currently being studied in France. Ms Etchebarne also visited two other HSSCs, one in Montreal East and another in in Montreal Centre, and was impressed by the progress our HSSC in the implementation stages, which is very encouraging. Thanks to everyone who joined in her visit!

LAKESHORE GENERAL HOSPITAL

Our 1st Annual Lakeshore General Hospital Foundation fashion show, **Lakeshore Goes...Ribkoff**, was an unprecedented success. With an attendance of 224 guests, the LGH Foundation raised close to \$30,000.00. We would like to thank all of our models, our volunteers, our sponsors, our guests as well as Château Vaudreuil for supporting the LGH Foundation in this new venture.

The LGH Foundation's 8th Annual Gala, **Carnival do Brasil – bal masqué**, is fast-approaching. The gala will be held on Saturday, November 1st, 2008 at the Pavillon-sur-le-Lac at the Château Vaudreuil. The evening features a sumptuous meal, live orchestra, and fabulous Brazilian-themed entertainment; don't miss out on tickets! For more information, please contact the Foundation office at 514-630-2081.

Our annual campaign, "My Lakeshore," has just been launched; please remember to give generously to help support the LGH, as each donation to your hospital helps to enhance the quality of medical care. Your support is essential for maintaining health care excellence in the West Island and beyond.
